# Introduction

This edition of *Erinnerungen* is a combination of old traditions and young ideas. This year's theme—Berlin, Old and New—was chosen to express both the stability and the flux of the things that make up the little world through which we pass so quickly.

Although this book was produced in large measure by a few interested members of the class of 1970, it is intended to be a record of a small part of the lives of all of us at Berlin American High School. To accomplish this purpose, we have tried to present a cross section of our lives in the school year, 1969-1970.

As you look through *Erinnerungen* 1970, recall with us the pleasures of the sweet past of your happy youth and care-free school days in Berlin.

Auf Wiedersehen!

Vicki Heiser

DAVID W. TWOHY  
Principal  
Portland, Oregon

During the course of this year a great deal has been said about the numerous superlatives of Berlin American High School: the best facility, the best teams, the best dramas, the best instructional program, the best student council, the best art exhibits, the best this and the near-best that. And all these things may or may not be true. The final judgment has to lie with the participants and the benefactors. But there is one superlative that just can't be surrounded by even a wisp of doubt. This high school has the best student body in Europe, and I just want you to know how very much I appreciate your personal contributions to its very special substance.

1935—1969

There comes a time in human affairs when it is both fitting and proper that even a good and well established tradition be broken. The staff of *Erinnerungen* 1970 feels that such time has come to us. We have, therefore, decided to offer this edition of our yearbook as a tribute to a man who has demonstrated his devotion both to our school and to his profession.

Since his arrival at Berlin American High School, he has taken a creative role in various school activities. These activities include coordinator of the B.E.L.L. System, sponsor of the Student Council, coach of the cross-country team, referee of all home wrestling matches, and a willing assistant to numerous clubs and classes in their projects.

We, the staff, hope that through this book we can express the entire student body's appreciation of all he has given to us.

The 1970 *Erinnerungen* Staff is proud to dedicate this edition to:

# Class of 1970

The class of 1970 is a class of leaders. We have not used our titles of leadership and responsibility as positions of prestige as many before us have done. We have used them constructively to instill an atmosphere of pride, spirit, and accomplishment.

We were not idle as freshmen, but immediately established ourselves as equals to the upper classes. We gained a reputation for giving the best dances. Our Go-Go Dance, Boots Dance, and Protest Dance will not be forgotten by those who attended and they have not been surpassed by any other class. We lived up to our reputation as sophomores with our Hippie Dance.

As juniors, we originated a very profitable business, the Junior-Gyp-Joint, under the supervision of our sponsor, Miss Jean Kawaoka. It is now run by the Class of 1971. Who will forget our Prom? The theme, "Love is Blue," was beautifully presented at the internationally known Kongresshalle.

Our class presidents have been firm and hard-working leaders. They were Debbie Bromberg (freshman), Gaby Taylor (sophomore and junior), and Todd Darress (senior). Our other officers this year were Cleo Johnson, vice-president; Carole Kirby, secretary; and Cheryl Biernesser, treasurer.

We have leaders of spirit—our cheerleaders. Mary Causgrove has been captain of the varsity squad for two of her four years as a cheerleader. She was supported by fellow seniors: Lillian Motley, Brenda Baxter, and Sandi Hoosack.

Our scholastic leadership is impressive with many seniors being members of the National Honor Society, and the president of NHS, Debbie Bromberg, also being a member of the Class of 1970. We are also very proud of Jeanne Winslow, Suzanne Sorkin, and Charles Hipkins who received Honorable Mention in the National Merit Scholarship Qualifying Tests.

Our Student Council has been built into an integral part of the school (something unusual in the past years) with much of the work done by its president, Richard Sanchez. The other offices were filled by seniors: Gaby Taylor, vice-president; Suzanne Sorkin, secretary; and Brenda Baxter, treasurer. We hope the underclassmen will not let their efforts go to waste.

Last of all, we have our athletic leaders. Cleo Johnson and Todd Darress are, perhaps, our two most respected male athletes. When it came to girls, Gaby Taylor was on top winning the admiration of all as a very competent tennis player.

In conclusion, we, the Class of 1970, challenge those who will come after us to keep a spirit of high achievement as their goal.

# Class of 1971

The Freshman year of sixty-eight  
Determined much of our following fate . . .

Establishing initiative and leadership in the graduating class of '71, our Freshman class set its goals and realized that it had a great responsibility in fulfilling them. We were fortunate in choosing competent officers to direct us: Suzy Wells as president; Maria Clary as vice-president; Heather Wilcox as secretary; and Karen Hansen as treasurer. We cooperated with a *Bear Facts* drive to aid Vietnamese orphans. We especially recall Mr. John Hiller, our sponsor for both Freshman and Sophomore years, who gave freely his time, interest, and guidance in our behalf.

Sophisticated Sophomores of sixty-nine  
We may have thought school was not so fine  
The teachers, our subjects, some witty lines  
Now we remember the best of our times . . .

Our competent Sophomore officers were Karen Hansen, president; Kurt Oesterreicher, vice-president; Laura Coats, secretary; and Maryanne Stanislaw, treasurer. As part of the student body, we participated in Student Council with two representatives, John Freeman and Toni Yarbrough. Many athletes from our class played on all varsity squads. Karen Hansen and Laura Coats cheered BAHS teams on to victory. Our princesses, Roma Freeman and Martha Lucas, glittered on the Homecoming Court. The Sophomore plays and the class picnic provided a brilliant finale to the year.

The vivacious, energetic Junior Class  
With spirit and agility  
Concocts, schemes, plots, and plans  
To the best of their ability . . .

Although a small group, we were able to prepare a prom unmatched in BAHS history. Our success was the result of the cooperation and support of the entire class led by its officers: Kurt Oesterreicher, president; Sue Burack, vice-president; Patty McManus, secretary; John Freeman, treasurer; and Student Council Representatives, Roma Freeman and Toni Yarbrough. To raise the money needed for the prom, we staged the Sadie Hawkins Dance, a turkey raffle, a Christmas semi-formal dance, and managed the Gyp Joint.

The Junior year of the class of '71 also added much to extracurricular activities and clubs. Three of the many juniors on the victorious BAHS football team, Melvin DeVilbiss, Thurman Nash, and Jean-Pierre Bonit, made the all-conference team. The drive of Pascal "Golden Pants" Sherrod showed the vigor with which our men "knocked 'em dead." Roma Freeman and Patty McManus, our Bear, cheered our boys through the season.

Juniors also excelled scholastically—Sue Burack and Katrin Lindroth were members of the National Honor Society. Another member of our class, Steve Reisler, was the editor of the *Bear Facts*.

Class of '71 has reached its prime  
Though it's taken three years time,  
Through stress and strain, work and toil,  
Fruits of labor and midnight oil  
Success is ours; our goal is won  
Paradoxically, it's been great fun.

Emden

Our Sophomore Class has come a long way since its members were new to BAHS as seventh graders. We have increased our school spirit with every year—a goal hard to attain in an overseas school. Only one third of our class is likely to be graduated here, yet we all strive not only to make the best of the present; but we also attempt to influence those students who come after us, and to contribute to the best of our ability to the future of BAHS.

Upon entering high school in the seventh grade, we watched carefully the successes and failures of the higher grade levels and learned much from involvement in the student government. Our spirit is well expressed by our school flag which was designed by a member of our class. We also participated enthusiastically in the school's social activities.

In the eighth grade, our spirit rose along with our confidence in ourselves. We tried our best to gain recognition of the Class of '72 by supporting various activities and through representation in the Student Council.

Our Freshman year put us in step with the senior high, and we set our goals high and strove to reach them, both scholastically, and athletically. Many of our boys were active in football, wrestling, cross-country, basketball, and other sports. As members of J.V. cheerleading squad, five of our girls raised school spirit. Many freshmen earned scholastic awards in science, art, music, and other areas.

This year we shall give our time and effort to make our Sophomore year a memorable one. We have already begun with our active athletic program and our sponsorship of a dance and a raffle. Under the guidance of our sponsor, Mr. Douglas and our class president, Debra Stewart; we have exciting plans for the year such as the Sophomore Sweetheart Dance in February, participation in the NHS Spring Carnival, and Field Day in June.

With our past experience, our goals, and our enthusiasm this year promises to be the best one yet.

## Class of 1973

We're on our way! The Class of 1973 has finally reached its Freshman year of high school.

With our class officers, Pat Ferriter, president; Cathy Smallwood, vice-president; Lisa Erickson, secretary; and Joe Henry, treasurer, we are trying to make this year a successful one. With the help of our sponsor, Mr. Charles A. Huffer, we are already planning a bake sale to help finance a Shipwreck Dance.

Members of our class, Steve Macklin, Larry Dennis, Ed Sears, and Packy Short, proved themselves capable of playing on the varsity football squad for the two final games of the 1969 season. We also have girls in our class who have shown their athletic ability by finishing running their first fifty miles of this school year. They are Bonnie Bates, Debbie Gerschak, and Jamie Phillips.

Debbie Garrels, a member of the junior varsity cheerleading squad represented the Class of 1973 as the Freshman Princess on the Homecoming Court in the month of October. She was escorted by Packy Short, a classmate.

Our industrious class has also shown that it is willing to work diligently for the school. The students who represent us in Student Council keep the entire class well informed and are constantly striving to further contribute toward the betterment of the entire school.

# Student Council

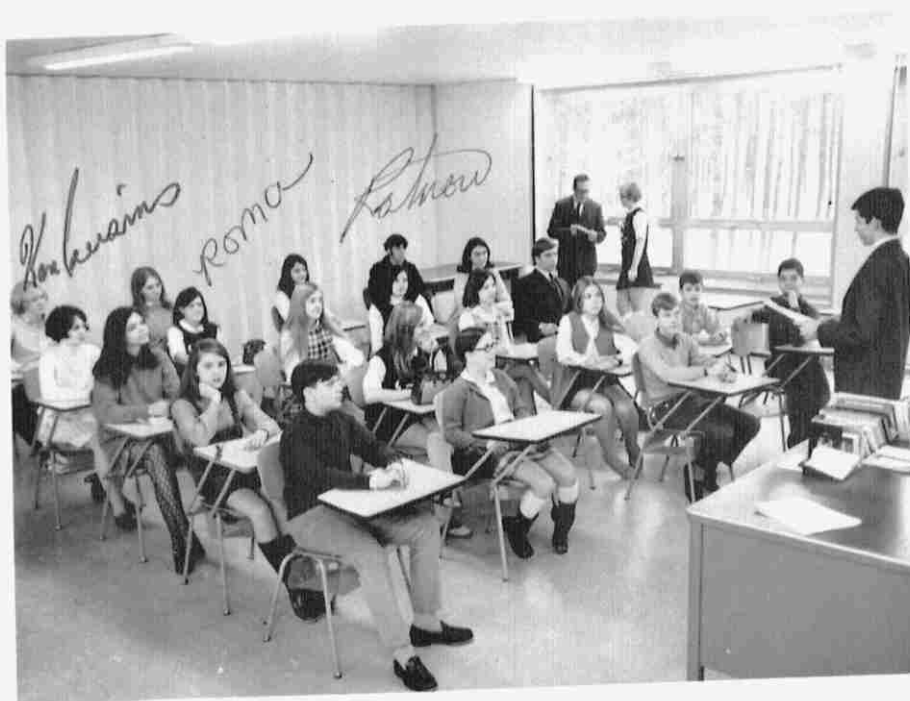

In an effort to combat student apathy, the Student Council, under the leadership of President Richard Sanchez, worked for the involvement of more students in school activities and sought ways to increase participation in the student government. Its tasks included working on a new student dress code, establishing a new Student Council Constitution, and rewriting the student handbook.

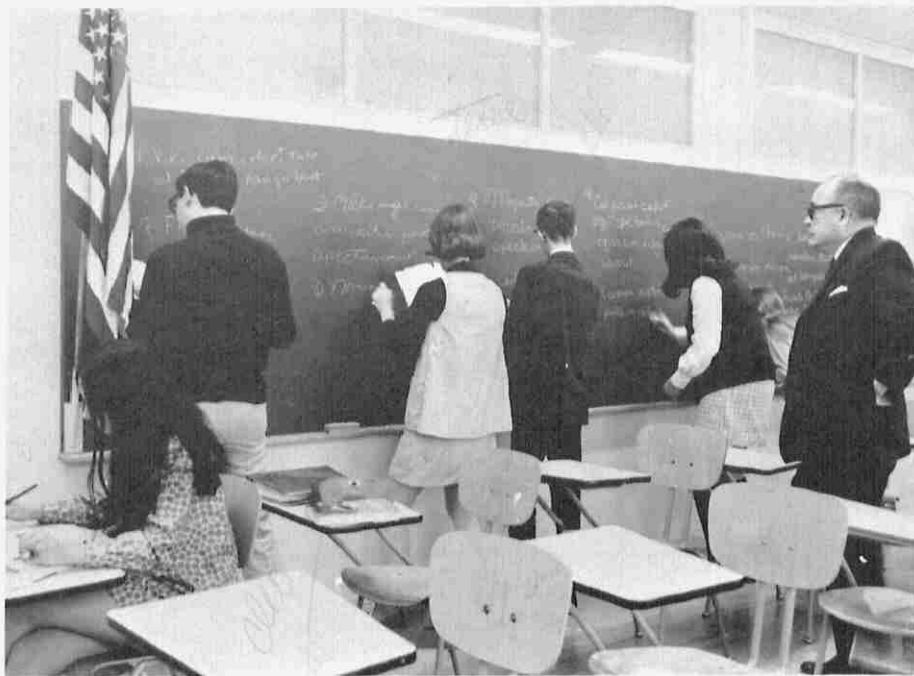

Through the work of the Student Council, money is now refunded for the return of lost locker keys and music is played in the Student Union during lunch. For the benefit of the students, the Student Council placed a bulletin board in the main lobby to provide current BAHS news and to inform them of upcoming events.

Under the direction of Brenda Baxter, treasurer of the Student Council, both the homecoming and the eighteenth annual Orphans' Christmas Party were successful. In February the Student Council sponsored a clothes drive for an orphanage in Berlin. In the spring the Student Council and the National Honor Society co-sponsored the Carnival.

High School Chorus.

The music department, under the direction of Mr. Wayne C. Fenstermacher, is well into another productive year. The band lent musical support to all our home football games, and one away at Bremerhaven. Both band and chorus perform regularly on the Armed Forces Television, Berlin, presenting excerpts from various concerts. In December, the Advanced Band, Senior High Chorus, with help from the Junior High Chorus, brought a little bit of "Home" to Americans in Berlin, with our concert, "A Family Christmas."

Our most exciting event this year, as every year, is the annual District Music Festival, which was held here March 5-8. Bands and choruses of four other dependent schools selected their most talented members to participate in a concert using different styles of music, which proved to be near-professional. The festival gives young musicians an opportunity to show what they can do.

A Solo Concert, in which members of the Band and Chorus presented solos and duets, demonstrated individual talents.

# Language!

Junior High Chorus.

But we haven't forgotten the younger section of our music department. The Junior High Band and Chorus worked hard during the Fall, and performed for a Christmas party given for a German orphanage. The Junior High Chorus, composed of seventh and eighth grade students, also performed with the High School Band and Chorus in a Thanksgiving Assembly for the student body of BAHS.

With all of our accomplishments and goals of the year, the music department hopes once again to prove rewarding for its participants and entertaining for the Berlin community—American and German alike—for it is well known that music is the universal language.

## CUBS '69 FOOTBALL HISTORY

The Berlin Cubs started out their season by knocking off a Class A school, Frankfurt, by the score of 8-0 in a controlled scrimmage. They continued their winning ways by closing out the Karlsruhe Knights, 16-0. At their first home game, the Cubs routed the Baumholder Bucs by a score of 38-0. They were then off to a great start to keep the Silver Division Championship in Berlin.

Their advance was checked by the Bitburg Barons who downed them by the slim margin of one touchdown, 14-8. Berlin returned the next weekend and beat the undefeated Wuerzburg Wolves, 24-14.

The homecoming game against the then division leaders, the Augsburg Apaches, proved to be the most exciting game of the season. The Cubs mauled the Apaches 66-6! Berlin regained the top spot and was determined to remain there. The Cubs then played Baumholder and again blanked them, 38-0. The finale of the season was the Cubs' overwhelming victory over the Bremerhaven Blackhawks with the score of 50-0! The Cubs' final winning record was six wins and one loss.

Once again, the Berlin Cubs were Silver Division Champions! They had compiled the most points against their opponents, 240, and had the least points scored against them, 34, in all of the USDESEA School System. They also placed seven men on the All-Conference team. They were Cleo Johnson, Jean-Pierre Bonit, Todd Darress, Steve Oesterreicher, Melvin De Vilbiss and Thurman Nash.

How could all this be accomplished with only three returning lettermen? The answer is found in the coaching of Mr. George Pepoy which steered our team to victory.

Many will remember Cub halfback, Cleo Johnson, plunging through the line and scoring on runs up to 70 and even 80 yards with Dave Howard, Todd Darress, Greg Baxter and Pascal Sherrod being the backbone of the defensive line.

We congratulate Coach Pepoy and the Cubs of 1969-70 for a splendid performance.

## HOMECOMING 1969

Homecoming weekend began in a cloud of smoke from a huge bonfire on Homecoming Eve. Led by the cheerleaders, students and parents alike cheered and chanted their support of the team. As the fire burned brighter, the cheers grew more restless and when it finally reached its peak of brilliance, an "Augsburg Apache" was burned in effigy. Feeling assured of their team's victory and having warmed their hands, parents drifted home and students moved from the bonfire to a "Scarecrow Dance" sponsored by the seniors in Victory Hall. The dance was a sockhop at which students and guests cavorted to recorded music. At 10:30 the dance broke up because the football players had been given strict instructions to get a good night's rest.

By four o'clock the next day, October 18, it was apparent that the extra sleep certainly only added to the tremendous skill and ability shown by the Berlin Cubs as they trampled the Augsburg Apaches 66-6! The defensive team was impenetrable and the offense had never played so well together. It was a record victory unchallenged by any other homecoming game in USDESEA this season.

There remained only one thing left to make the already perfect homecoming complete. Sandi Hoosack was chosen Homecoming Queen for 1969-70. Attendants were Gaby Taylor and Debbie Bromberg, seniors; Roma Freeman and Darlene Carpenter, juniors; Debbie Stewart, sophomore; and Debbie Garrels, freshman. Completing the scene was Miss Toni Durant, Homecoming Queen 1968, who crowned Sandi at halftime amidst cheers of approval. The happy new queen was then escorted from the football field where she was again crowned by Richard Sanchez, Student Council President.

With the taste of victory still sweet in their mouths, almost one hundred students attended the semi-formal Homecoming Dance held at the Club Silverwings (Templehof) that night. The theme was "Emerald City" complete with a "yellow brick road" and the theme song "Somewhere Over the Rainbow," sung by Cheryl Biernesser and Carol Henry. Sandi and her court were again announced at the dance. A band played until 11:30 and at midnight the eventful Homecoming Weekend ended.

## NATIONAL HONOR SOCIETY and NATIONAL JUNIOR HONOR SOCIETY

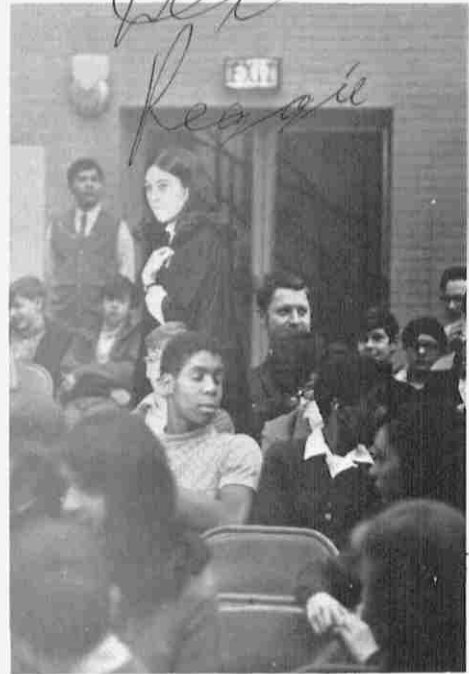

The "Outpost Freedom" chapter of the National Honor Society at the Berlin American High School began the 1969-70 school year with ten members. Following the induction ceremony in February, that figure rose to twenty-two. The officers for this school year were: Debbie Bromberg, president; Jay Stewart, vice-president; Mary Causgrove, secretary; Richard Sanchez, treasurer; and Suzanne Sorkin, guardian of the mace.

In addition, the National Junior Honor Society started with a membership of eleven students which was increased by twelve after the February induction ceremony. Its officers included: Cathy Smallwood, president; Patricia Ferriter, vice-president; Lisa Erickson, secretary; and Bonnie Bates, treasurer.

Among the activities sponsored by the honor societies, the Dairy Bar was the most popular and also proved to be the most profitable project. With the co-sponsorship of the Student Council, our Carnival turned out to be a success, with a variety of fun for everyone. Through these profits, National Honor Society was able to award several scholarships to worthy college bound seniors at the end of the year.

## A TRIP TO BERLIN VIA THE MOON!

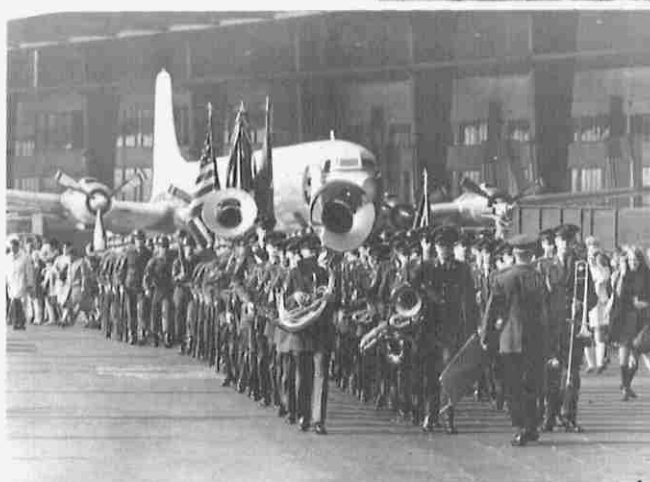

Our student body turned out to welcome the Astronauts at Tempelhof. Bill Planz carries the school flag as part of the tribute paid to the first men to visit the moon.

Neil Armstrong, Edwin Aldrin, Mayor Klaus Schuetz, Michael Collins speaking, Ambassador Rush, an interpreter, and General Fergusson stand on the platform.

Did you see the astronauts?  
 Did you hear the band?  
 Did you wave your flag?  
 Wasn't it fun?  
 And what's more we got  
 out of school!

# “Stille Nacht, Heilige Nacht”

Christmas 1969 marked the fifteenth year that the Student Council has sponsored a party for the orphans of Kinderheim im Gruenewald.

Richard Sanchez and Susan Esfandiary escort children to the busses for the Christmas party.

Santa Claus, and members of his staff bring a modicum of delight into the lives of little children.

Even Santa got a present—from Todd Darress!
