memories
like the corners
of my mind

misty
water-colored
memories

of the
way we were
memories memories memories memories memories memories memories memories
scattered pictures of the smiles we used to have

smiles we gave to one another for the way we were
can it be that it was all so simple then?
or has time rewritten every line?
if we had the chance
to do it all again

memories
tell me . . .
would we?
could we...
memories may be beautiful . . .
and yet...
what's too painful to remember

memories memories memories memories memories memories memories memories
we simply choose . . .

to forget

memories memories memories memories memories memories memo
so it’s the laughter

we will remember

memories memories memories memories memories memories memories
whenever we remember
the way we were

This year’s Golf team had a perfect season. They won all four of their matches and the Northern Regionals.

People placing were: Randy Smith-First, Mark Schellerup-Second. Janet Virgilio took first in the girls competition.

All Regional participants went to the Finals and there Randy Smith won the USDESEA tournament. Janet Virgilio took third for the girls.

1974-75 was the first year girls' basketball was considered a varsity sport.

The girls have fought a long hard battle to gain equality in sports and they are coming along slowly but surely. In the future, girls' sports will grow in popularity and strength. Then, perhaps, people will notice that girls can be good athletes too.

Next year's team with its young, new, and feisty players looks like a winner.
