

Ruchia Moran Obituary

Obituary published on Legacy.com by Hilliard Funeral Home, Fairway Crematory & Memorial Gardens – Van, TX on Sep. 5, 2024.

Life's a party and Roo knew just how to make it just that with fun, laughter and her free spirit. Roo passed away peacefully in her home on August 31, 2024 in Gladewater, TX after losing her second battle with stomach cancer.

Ruchia "Roo" Lee Eargle Moran was born in Thomaston, GA and adopted by her parents Roy and Dotty Eargle of Saluda, NC. who gave Roo a world of opportunities exploring countries, operas, wines, and experiences. These adventures led to her living in Berlin and Heidelberg, Germany where she attended Heidelberg High School 1973 where she gained lifelong friends and met her husband, Tim Moran, the love of her life.

Tim and Roo married in a small ceremony in Berry Chapel, OBU on December 20, 1975 in Arkadelphia, AR, beginning the start of their 49 year marriage. Tim and Roo had two children Elliot and Kaethe Moran.

Roo will always be remembered for her love of Germany, Dragonflies, and a good joke. We couldn't have asked for a better wife, sister, mother, friend, and will miss Roo every day.

Her memory will live on through generations in the hearts of all those who loved her.

Ruchia was preceded in death by her father Roy Eargle, sister Susie Virgo, brothers Keneth Wayne, Larry Bass and is survived by her spouse Tim Moran, mother Dotty Eagle, sister Dale Bass, brother Grier Eargle and wife Faith Ann of Tryon, NC, children Elliot Moran and wife Amanda and their children Micah, Piper and Ruby Moran of Gilmer, TX and Kaethe Moran of Longview, TX and nieces and nephews and countless friends that cross the nation.
